Greetings from Your Regent

I had my column for this newsletter mostly composed in my head, and I was feeling pretty good about myself. I was going to talk about this wonderful time of the year – between Advent and Lent when we return to Ordinary Time and how Ordinary Time isn't very ordinary. And then I got my copy of The Catholic New York, and there was a great column on this very topic! I really cannot improve on it.

Liturgically, it really is a great time to stop and reflect on all of the wonderful Bible readings that we know so well and maybe find fresh aspects to the stories that we had never thought about before or maybe it's like re-reading that favorite book of yours that you enjoy reading time and again.

Looking for a better way to describe "ordinary time" I found this on the internet.

To make the most of Ordinary Time:

- Continue a devotion you started during another season
- Begin a new devotion
- Read the daily Scripture readings
(go to www.usccb.org)
- Seek to be like Jesus in small things

I can't improve on that either!

National News

(catholicdaughters.org)

Exciting news! We have received the Call to Convention. This summer's National Convention will be in Puerto Rico. We can send 3 delegates and 5 alternates. We will be electing them at our February meeting.

If you would like to attend the convention as a delegate or alternate, you need to have someone nominate you at the February meeting. **All nominees must give permission to have their names placed in nomination.** If you have someone nominating you and you cannot be present at the February meeting, you must notify the Regent prior to the meeting that you give permission.

If there are more than 3 names in nomination, there will be a vote, and the top 3 vote-getters will be the delegates, and the others will be alternates.

Delegates and alternates are responsible for making their own travel and lodging arrangements. The court will reimburse some or all of the costs after the convention.

Please consider attending and representing our court.

Court Financial Matters

At the February meeting we will be scheduling a date to meet in early March to create next year's budget. Everyone is welcome to attend the **budget meeting** and assist in the process.

We are now collecting **annual dues**. Please do it right now so we don't have to call you. The bills from National and NYS will be arriving in early spring, and we have to pay them in a timely manner. We are blessed to have a healthy treasury so we are able to maintain the price of annual dues at **\$20**. The court pays for additional costs and assessments that many courts add to their members' dues.

Please use the coupon below and send to Susan Witte.
